PROVIDENCE HOME SCHOOL ACADEMY

What is HOME SCHOOLING ACADEMY?

Providence HOME SCHOOLING ACADEMY is a program designed to support families who have chosen to educate their child(ren) at home, but would benefit from supplemental instruction and/or student enrichment programs. We want to give homeschool families in our community the opportunity to connect with us through attending Bible classes, weekly chapels, participating in PE and Sports (6th - 12th grade), etc...all while maintaining the flexibility and the curriculum that works best for your family!

What courses and programs are available to my child(ren)?

Providence offers students in grades K-12 an opportunity to join in our regularly scheduled academic, athletic, and enrichment programs. Offerings are based on the course schedules at the various grade programs. All programs, which we call "sections," are "space-available" and subject to limitations imposed by our instructors. **League sports in upper elementary and high school are also available for qualified Academy students!**

Can my child(ren) convert to a full-time student at Providence Christian school during the school year?

Yes! With approval of the student's teachers an Academy student may convert to a full-time student and all fees paid to that point would be applied to the pro-rated full-time tuition and fee agreement.

Can I enroll in more than one section or program?

Yes! Home schooling is all about choices, and Providence HOME SCHOOLING ACADEMY offers you new choices to enhance and improve your child(ren)'s educational experiences.

How can I find out more?

Call the Providence office today and schedule an appointment with one of our school administrators. The office is open school days from 8:00 AM till 3:15 PM.

Need More Information? Call for an Appointment! (530) 865-4924
