Our Mission

Providence Christian School equips students by providing an excellent Christ-centered education to the end that they will *think biblically, emulate Christ, and excel to the Glory of God*. To accomplish this mission, we work in partnership with parents who are nurturing their children in the truth of Christ, just as the Scriptures describe (Eph. 6:4; Prov. 22:6). We seek to challenge cultural assumptions that are anti-Christ and to promote a providential understanding of history. It is our desire that, by God's grace, the graduates of PCS will effectively serve the Kingdom of Christ.

I want my child to be in a Christian School, but can I afford Tuition?

Our goal is to educate children for Christ, and we never want finances to be the only reason why your child cannot attend Providence. Please reach out to the office to set up an appointment where we can discuss potential scholarship opportunities that could be available for your child!
